

**TAMPER PROOF SCREW REMOVER TOOL**

**"Un Do It" Tool**

If you've tried to remove One-Way Tamper Proof screws from toilet partitions, locks, fixtures, and assemblies you know the frustration involved. No more drilling, pounding, pulling, or chiseling... that wastes time, bruises knuckles, and causes costly hardware damage.

<b>Part No.</b>	<b>Diameter</b>	<b>For Screws</b>
SCF 804B-----	5/16"-----	#6, #8
SCF 807B-----	3/8"-----	#8, #10
SCF 810B-----	7/16"-----	#10, #14
