One Tag System

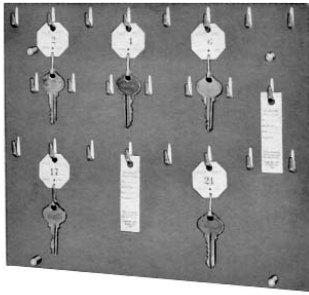

For small key control requirements. Each with lock and two keys.

Part No.	Capacity	Dimensions		
		W	H	D
LUN 10	10 Key	8 ³ / ₄ "	11"	11 ¹ / ₂ "
LUN 20	20 Key	8 ³ / ₄ "	11"	11 ¹ / ₂ "

DRAWER KEY PANELS

Drawer Key Panel — One Tag System

For a simple inexpensive control system, these panels can be inserted in any standard file cabinet drawer for a One Tag Key system. Labels above the key hooks are not used as the numbered key tags automatically number the hooks. Holds 23 keys. One or more panels can be placed in a drawer. It is suggested that Lund drawer separators be placed in front and back of the key panels to form a separate compartment for the key panels. Gray baked-on enamel finish.

Part No.	Capacity	Dimensions
LUN 23	23 Key	11 ³ / ₄ "W × 10"H

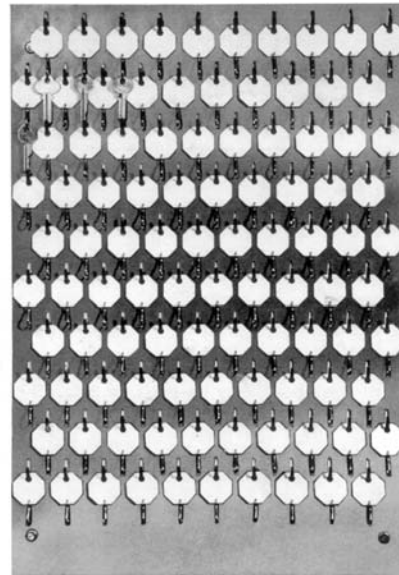

Drawer Key Panel — Two-Tag System

Key panels for "standard" two tag key system. Labels are numbered consecutively from 1 up to 3400. Slide in type, white labels have 5/16" bold type numbers in black and green vinyl label holders. Panels are installed in the drawers without rods, springs or clips. There is 5/8" between panels. Labels and tags are numbered from one up to capacity unless other wise specified. Light office gray baked-on enamel finish.

Part No.	Capacity	Dimensions
LUN 500	23 Hook	11 ³ / ₄ "W × 10"H

WALL KEY PANELS

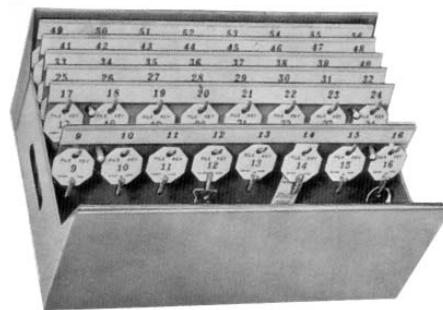

For contractors, industrial plants and offices. Tags are furnished blank. Numbered tags will be furnished as extra. Numbered tags would automatically number the key hooks — no numbered labels above hooks required. No. 507 white fibre tags with No. 509 spring wire links. Hooks are 1/2" long and will accommodate three keys each. .20 gauge steel, gray enamel finish.

Part No.	Capacity	Dimensions
LUN 520	23 Keys	11 ³ / ₄ "W × 10"H
LUN 521	100 Keys	15 ⁵ / ₈ "W × 23 ¹ / ₁₆ "H

KEY TRAYS

Portable Key Trays

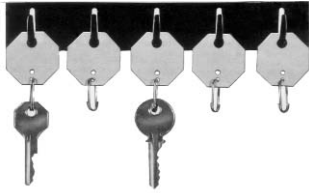

- Key hooks & key tags both numbered 1 to 56.

A simple and inexpensive system. Trays fit in standard filing cabinets or desk drawers. May be carried from place to place as desired. Seven tilting panels, with hooks for 56 different keys. No. 1900 has one tag system numbered consecutively from 1 to 56. No. 1901 is as above, but two tag system. Light gray baked-on enamel finish.

Part No.	Description	Dimensions
LUN 1900 F/O	Desk Tray, 1 Tag System	12"W × 4 ¹ / ₁₆ "H × 8"D
LUN 1901	Desk Tray, 2 Tag System	12"W × 4 ¹ / ₁₆ "H × 8"D

KEY SYSTEM ACCESSORIES

Key Holder

Key holder made of anodized aluminum, gold color. Five integral key hooks, five white fibre tags No. 507 with nickel plated spring wire links No. 509. Back of holder has pressure sensitive pads for attaching. A small key system that can become as

big as the user desires by adding additional holders. One per plastic bag, 24 per carton.
