

MULTI-PURPOSE LUBRICANTS

Dri Lube (Dri-Film)

A self-cleaning lubricant that actually cleans while lubricating. Leaves behind a protective shield lubricant that will not attract dust. Can be used on wood, metal and most plastics.

Part No.	Description
SUP 11016 -----	Lube, 11 oz. Aerosol Dri-film

Super Lube Aerosol

A multipurpose PTFE based synthetic lubricant available in aerosol form. Non-toxic, odorless. Water and saltwater waterproof. Forms a grease barrier against oxidation.

Part No.	Description
SUP 31110 -----	Lube, 11 oz. Aerosol

Super Lube Grease

A synthetic heavy-duty, multi-purpose lubricant that provides long life protection against friction, wear, rust and corrosion. Will not run, drip or form gummy deposits.

Part No.	Description
SUP 21030 -----	Lube, 3 oz. Grease Tube

Super Lube Oil with PTFE

A premium synthetic oil with suspended PTFE particles that bond to surface to add lubricity to moving parts. Waterproof and non-toxic.

Part No.	Description
SUP 51010-----	Lube, 1/4" oz. Oiler, carded
