HHW 540-01

Interior

Heritage Hardware offers a wide variety of style combinations. All levers, knobs and backplates are interchangeable and available in black, bronze or pewter finishes.

Multi-Point

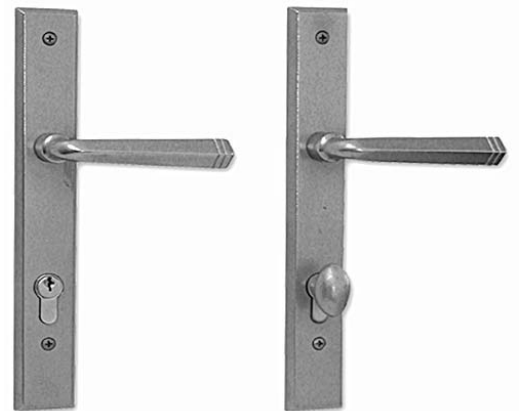

Multi-point lockset trims are an attractive complement to your complete decorative hardware package. Simply replace the trim plates with Heritage Hardware's distinctively designed trims to achieve the look and security you desire.

HHW 120-03C

Exterior

Finishes are applied under strict specifications to insure lasting beauty and, unlike most iron products, our finishes are rust-free and corrosion proof in any climate. Shown with optional cylinder cover.

HHW 525-10

Thumbgrip

From front gates to entry doors, the thumbgrip design and mortise lock operation achieve the security and quality you expect from a fine piece of entry hardware.

Cabinet Hardware

Quality and careful attention to detail are evident in our richly designed cabinet hardware collection.
