- KEB 52 -----Mini Bak-Clip - Blue

Key-Bak® Long-Reach Retractor

KEB 483 HD Belt Loop, Chrome

KEB 485 HD Clip-On, Chrome

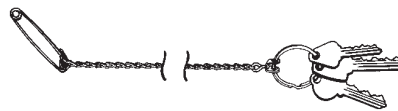

A smooth winding cable with twice the reach of the standard. The Long-Reach retractor features a 48" long stainless steel cable which has a breaking strength of over 95 lbs. The cable is of 7 x 7 strand nylon jacketed construction for maximum strength and flexibility. The spring retractor mechanism has been tested to over 100,000 cycles without failure. This retractor is enclosed in a rugged steel case only 2" in diameter and weighs less than 2 oz. This makes the Long-Reach Key-Bak particularly unique by doubling the extension length of other similar products with the same diameter and thickness.

Key-Bak 48" Stainless Steel Cable

Part No. Description

- KEB 483 HD -----48" Cable
- KEB 485 HD -----48" Cable

Pin-N-Chain

Pin-N-Chain features the same light weight, high strength stainless steel chain used in the famous Key-Bak, but with a simple safety pin on one end and rugged swivel-mounted key ring on the other. Fastens keys to belt, belt loop, button hole or pins right to clothing. Chain is 24" long.

Part No.: KEB PC-12

Super 48

Four Full Feet of Reach

KEY-BAK Super 48 is longer, stronger, tougher, better looking and more durable. Exclusive quick draw extension unwinds directly from the reel in the same direction you pull.

- Robust case fabricated of industrial polycarbonate — super strong and corrosion resistant
- Versatile back attachment is both belt clip and belt loop
- Carries five times the weight. All the weight attached to the cable is carried on the housing, rather than on the internal spring loaded reel
- Super strong kevlar cord
- Four full feet of reach

Part No.: KEB SUPER 48

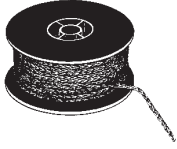

Mity-Mite Key Chains

Mity-Mite Key chains have rugged, stainless steel key chain from Key-Bak. These chains are 5 1/2" long with a split ring connector. Supplied on display card, 24 count.

Part No.: KEB MM-24

Bulk Stainless Steel Chain

Bulk Stainless Steel Chain from Key-Bak is a strong, flexible and corrosion resistant. This chain has a thousand uses in homes and businesses. Cut to any length to suit your needs. Reel carries 100 feet.

Part No.: KEB SS-12
